

PHILIPS

HUE PERSONAL WIRELESS LIGHTING

Welcome to hue - your personal wireless lighting system. For more information please see our website www.meethue.com

Open Source

This product contains software licensed under an open source license. For acknowledgements and license texts, **see below. Philips Lighting B.V.** hereby offers to deliver, upon request, a copy of the complete corresponding source code for the copyrighted open source software packages used in this product for which such delivery is requested by the respective licenses. This offer is valid up to three years after **purchase or software update** to anyone in receipt of this information. To obtain source code, please send your request in English with product type to open.source@philips.com. If you prefer not to use email or if you do not receive confirmation receipt within 2 weeks after mailing to this email address, please write in English to "Open Source Team, Philips Intellectual Property & Standards, P.O. Box 220, 5600 AE Eindhoven, The Netherlands". If you do not receive timely confirmation of your letter, please email to the email address above.
